SIR:

In response to the Notice of Allowability mailed October 10, 2008, at page 2 paragraph 2, alleging that the Oath or Declaration is defective since no Oath/Declaration was filed, upon reviewing PAIR, our prosecution file, the Oath/Declaration is not defective as follows:

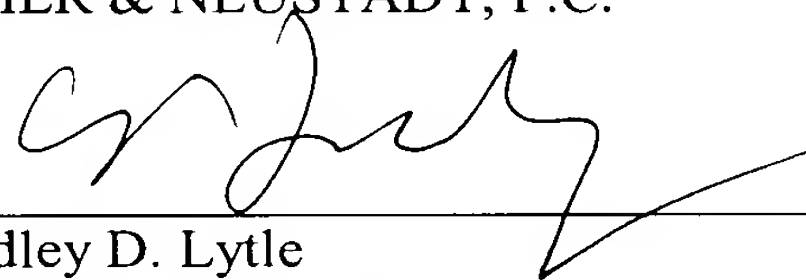

A Notice to File Missing Parts was received in connection with the above-identified application. In response thereto, Applicants filed a copy of the Combined Declaration and Power of Attorney as well as an Assignment on April 11, 2002, (copies of the date-stamped filing receipt, Combined Declaration and Power of Attorney and Assignment are enclosed herewith).

In reviewing PAIR, there appears to be no scanned copy of the Combined Declaration and Power of Attorney and the Assignment which were timely filed on April 11, 2002 in response to a Notice to File Missing Parts of an Application. Applicants believe that this may have occurred when the USPTO went from a paper system to the present electronic retrieval system PAIR.

Applicants believe with the submission of the above materials that the Oath/Declaration are in compliance with MPEP § 602 along with the Assignment, and the objection regarding a defective Oath/Declaration should be withdrawn.

Respectfully Submitted,

OBLON, SPIVAK, McCLELLAND,
